SECTOR:
AIRPORT

Aviapartner is a new handling agent which started operations in Spain in 2015. In a 5 year contract concluded with Clece, it has entrusted the company with its aircraft cleaning service. In order to win the contract, Clece proposed a restructuring plan for a tailored service.

The contract includes the airports of Lanzarote, Fuerteventura and Tenerife South. To meet the challenge of providing this new service, Clece has provided a team of 40 professionals who will carry out an average of 5,500 cleaning operations a year.
